1.2. Clear space

TO MAINTAIN A STRONG BRAND IDENTITY, THE LOGO MUST REMAIN CLEAR, UNCLUTTERED AND OF A LEGIBLE SIZE ON ANY PRODUCED LITERATURE.

The logo should only be used from master artwork and should not be redrawn or altered in any way. The logo at all times should be used in line with the guidelines set within this document.

It's important that our logos are not crowded by other elements that might compete for visual attention. A space should be left around our logo where no other logos or type are placed. We call this the exclusion zone.
