

LED Community Leisure Photography and Filming Consent Form

Model Release Form for Photography and Filming with Schools and Groups

LED Community Leisure is committed to providing a safe and enjoyable experience for every child or young person (under 18 years of age). To help us achieve this, we ask that schools or groups give consent for photography and filming under the following terms:

- We recognise the importance of ensuring the welfare and safety of all children we work with.
- We adhere to a Safeguarding Policy, which is available upon request.
- Images and footage of children will be used solely to celebrate and promote the work we do to increase physical activity levels among young people.
- Photography and filming will only be conducted with the consent of the school or group/organisation.
- Through our close working relationship with the school or group, we will make every effort to exclude any children whose parents/carers have not granted permission for their participation in photographs or films.

By signing this form, you grant LED Community Leisure ongoing rights to use photographs and videos taken during activities, in perpetuity, for marketing, promotional, and reporting purposes. This includes, but is not limited to, use on websites, social media, printed materials, and internal communications.

Consent Agreement

On behalf of the children, parents, and carers, I give consent for LED Community Leisure to take photographs and film the children within the school/group. I will notify the instructor or coach of any children for whom permission has not been granted. Please list details on the following page.
